TAX ENGAGEMENT AGREEMENT

This agreement is to confirm and specify the terms of our engagement with you for the year indicated on the attached letter and to clarify the nature and extent of the tax services we will provide.

We will prepare the federal and state tax returns as listed on the attached letter. We are not responsible for returns not on the list.

This agreement does not cover the preparation of any financial statements, which, if we are to provide, will be covered under a separate engagement letter. This agreement does not alter any other understanding or engagement letter we have with you regarding other types of engagements for any period.

This agreement does not cover the preparation of any FinCEN Beneficial Ownership Information (BOI) reporting. Compliance with the Corporate Transparency Act (CTA) and BOI reporting is outside the scope of all tax reporting engagements and we do not prepare any BOI reporting. You have sole responsibility for compliance with CTA and we assume no liability resulting from your failure to comply. In addition, this agreement does not cover the preparation of any financial statements, which, if we are to provide, will be covered under a separate engagement letter. This agreement does not alter any other understanding or engagement letter we have with you regarding other types of engagements for any period.

You are responsible for the safeguarding of assets, the proper recording of transactions in the books of accounts, the substantial accuracy of the financial records, and the full and accurate disclosure of all relevant facts affecting the return(s) to us. You also have final responsibility for the tax return and distribution of any Schedules K-1, if applicable and, therefore, the appropriate officials should review the return carefully before an authorized officer signs the returns or authorizes us to electronically file the returns for you.

You are responsible for assuming all management responsibilities, and for overseeing any services we provide by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, or experience. In addition, you are responsible for evaluating the adequacy and results of the services performed and accepting responsibility for the results of such services.

You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that you have disclosed to us all relevant facts affecting the returns. **This will include the ownership of or signature authority over any foreign bank accounts, the ownership of any other foreign financial assets, and the ownership of or any transactions involving any digital assets.** We will not verify the information you give us; however, we may ask for additional clarification of some information.

If, during our work, we discover information that affects prior-year tax returns, we will make you aware of the facts. However, we cannot be responsible for identifying all items that may affect prior-year returns. If you become aware of such information during the year, please contact us to discuss the best resolution of the issue. We will be happy to prepare appropriate amended returns as a separate engagement.

Our work in connection with the preparation of the tax return(s) does not include any procedures designed to discover defalcations or other irregularities, should any exist. The returns will be prepared solely from information provided to us without verification by us.

We use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

The Internal Revenue Code and regulations impose preparation and disclosure standards with noncompliance penalties on both the preparer of a tax return and on the taxpayer. To avoid exposure to these penalties, it may be necessary in some cases to make certain disclosures to you and/or in the tax return concerning positions taken on the return that do not meet these standards. Accordingly, we will advise you if we identify such a situation and we will discuss those tax positions that may increase the risk of exposure to penalties and any recommended disclosures with you before completing the preparation of the return. If we conclude that we are obligated to disclose a position and you refuse to permit the disclosure, we reserve the right to withdraw from the engagement. Likewise, where we disagree about the obligation to disclose a position, you also have a right to choose another professional to prepare your return. In either event, you agree to compensate us for our services to the date of withdrawal. Our engagement with you will terminate upon our withdrawal.

The IRS permits you to authorize us to discuss, on a limited basis, aspects of your return for one year after the return's due date. Your consent to such a discussion is evidenced by checking a box on the return. Unless you tell us otherwise, we will check that box authorizing the IRS to discuss your return with us.

It is our policy to keep records related to this engagement for three years. However, we do not keep any of your original records, so we will return those to you. When records are returned to you, it is your responsibility to retain and protect the records for possible future use, including potential examination by governmental or regulatory agencies.

Your records may be stored by us in a document management system, processed electronically, and transmitted via secure portals. By signing this agreement, you acknowledge and accept the use of these technologies and agree that upon the expiration of the three-year period, we are free to destroy our records related to this engagement.

Certain communications involving tax advice are privileged and not subject to disclosure to the IRS. If you, your employees, or agents disclose the contents of those communications to anyone, or by turning over information about those communications to the government, you may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about our tax advice. Should you decide that it is appropriate for us to disclose any potentially privileged communication, you agree to provide us with written, advance authority to make that disclosure.

Should we receive any request for the disclosure of privileged information from any third party, including a subpoena or IRS summons, we will notify you. In the event you direct us not to make the disclosure, you agree to hold us harmless from any expenses incurred in defending the privilege, including, by way of illustration only, our attorney's fees, court costs, outside adviser's costs, or penalties or fines imposed as a result of your asserting the privilege or your direction to us to assert the privilege.

The return(s) may be selected for review by the taxing authorities. In the event of an audit, you may be requested to produce documents, records, or other evidence to substantiate the items of income and deduction shown on a tax return. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of a tax examination, we will be available, upon request, to represent you. However, such additional services are not included in the fees for the preparation of the tax return(s).

Our fees for tax services will be based in part upon the amount of time required at our standard billing rates for the personnel working on the engagement, plus out-of-pocket expenses. All invoices are due and payable upon presentation. Amounts not paid within 30 days from the invoice date will be subject to a late payment charge of 1.5% per month (18% per year). If the account is turned over to an attorney for collection, an additional charge of 33 1/3% will be added to cover collection costs.

In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

We have the right to withdraw from this engagement, in our discretion, if you do not provide us with any information we request in a timely manner, non-payment of fees, refuse to cooperate with our reasonable requests or misrepresent any facts. Our withdrawal will release us from any obligation to complete your return and will constitute completion of our engagement. You agree to compensate us for our time and out-of-pocket expenses through the date of withdrawal.

If the foregoing correctly sets forth your understanding of our tax engagement, please sign where indicated and return it to our office. If you disagree with any of these terms, please notify us immediately.

We want to express our appreciation for this opportunity to work with you.
